Dear Sir:

The above-identified application became abandoned as to the United States because the fees and documents required by 35 U.S.C. §371(c) were not filed prior to the expiration of the time set in 37 C.F.R. §1.495(b) or (c) as applicable. Applicants hereby petition for revival of this application.

Handwritten signature

The entire delay in entering the application into the National Stage from the due date for entry until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b) was unintentional and applicants herewith submit the papers and fees for entering this application into the National Stage. Since the international application has an international filing date after June 8, 1995, no terminal disclaimer is required.
